About Me

As a strongly motivated, confident and disciplined individual with an outgoing personality I have always been adaptable and balanced, with leadership and teamwork skills. I have strong communication skills, am calm under pressure and able to take control of situations when necessary. Studying in a highly reputed maritime academy, I learnt the importance of self-discipline, self-reliance and being able to adapt to different working environments, meeting deadlines and completing tasks to a very high standard.

Date of Birth: 13th October 1989

Father's Name : Prashant Upadhyay

Father's Occupation : Dy. General Manager, State Bank of India
